LCMHL Update – Mike Taylor

Select- alot of morning and weekend ice times. Parents and players should need to be aware that they may have select and house on the same days.

Wouldn't start until December. Insurance is good until the end of May.

U13, U15 & U18 are what is allowed.

Travel Permit Form

HEO AGM in July, we have a new Board of Directors.

We haven't found out who is in charge of what aspect yet. Their next meeting is August 31st.

Travel permits - We haven't received ANY travel permits yet. Please make sure that these get in so we don't end up with last minute travel permits.

MTK - Their permits are stuck in an approval process that they can't seem to get them out.

US Travel permits and HEO permits are required for Tournaments in the US.

I sent out an email over the summer with multiple policies for review. This is to make sure everyone is following the same policies and that no one is surprised by how we do things.

U9 - Full ice as of Dec 26th. They're allowed 2 full ice tournaments. 4 total.

VP - Glenn

Treasurer - Andrea Tunks

District Risk & Discipline – Mike Smith

Associations are responsible for setting up TTM Access, Mike Smith will be working with the registrars on how to do this.

Amanda asks if anyone had anyone waiting for a hearing? No one replies.

District Hockey Ops –

RIC & Assigning – Brendon Stitt & Mike Clarkson

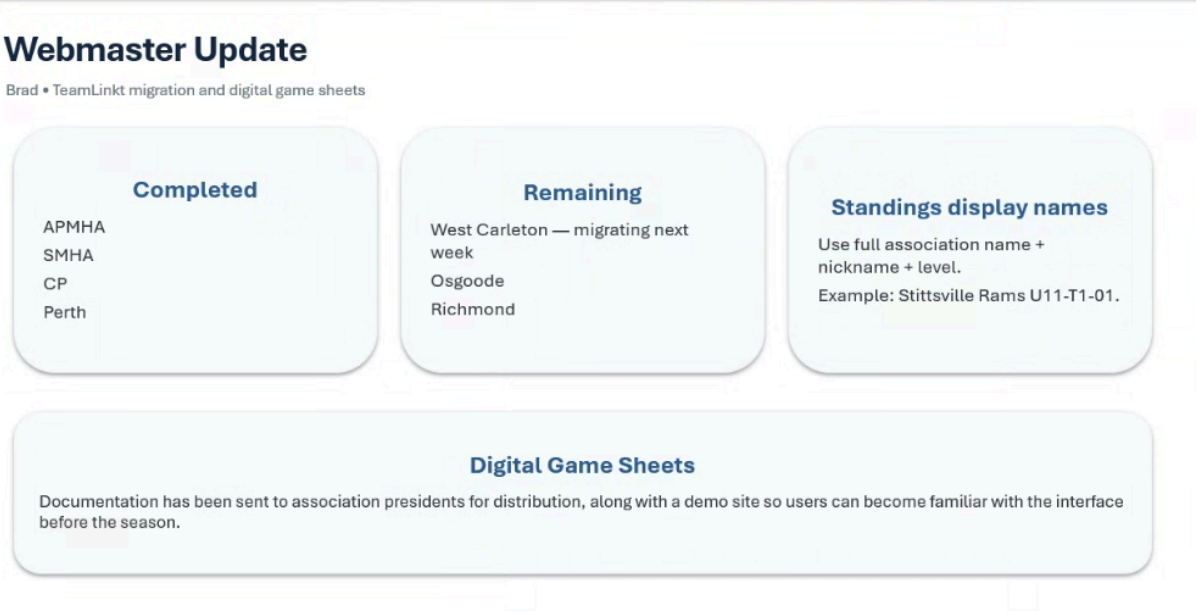

- Currently onboarding and registering approximately **65 new officials** — roughly **35 adults and 30 minor-aged officials**.
- Returning officials from last season are also currently being onboarded and registered.
- Two **District 4 in-person clinics** are scheduled in Beckwith:
    - **September 9** – Returning Officials
    - **September 16** – New Officials
- Upcoming **District 4 on-ice sessions**:
    - **Perth – August 24 & 26**
    - **Stittsville – August 26**
    - **West Carleton – August 18**
- I am absent from tonight's meeting as I am assisting **new West Carleton RIC Conor Rolland** with their on-ice session.

- -Online prerequisite clinics and national exam for new and returning officials now open.
- -In person clinics at centralized Beckwith tentatively booked.
- -Tryouts for a couple associations will be happening in August.
- -Discussion on participation and time commitment from Association RICs.

Mike Clarkson - Trying to work on the tournaments as they tend to slam us pretty quickly.

D4 Webmaster- Brad MacDonald

- Scheduler Training for TeamLinkt. I'd like to have all association schedulers on this call. Date TBD but probably in August.
- Time keeper training. I believe Brendon might be taking care of this, but if not, I'd also like to get timekeepers on a training call for the upcoming season

D4 Registrar - Heather Nixon

Lots of transfer requests coming in. We made great progress the last couple of weeks on a backlog that we had.

We should be through House league transfers soon.

OVSS has done a great job of getting their transfers through for teams they've made. They're working now on tryouts that they have coming up.

Things are going pretty well.

APMHA - Kristen Drynan

Everything is going pretty well. We have a new tournament co-ordinator, not sure if she has sent in those details.
AW- They would need to send in the sanctions.

KD - We need a Risk and Discipline director, do we put this out to our membership? Do we appoint someone?
AW- I would put it out to your membership and if no one wants it then appoint someone.

CPMHA – Josh Mavec

Not too much to report. We had a lot of vacancies in our executive, have filled all but one spot.

ORMHA – Cameron Legault

PLMHA – Morgan McNevin

Everything is good here. Ice should be going in this week. Blue wings have a camp next week.

RMMHA – Jim Wallace

We have a full executive board for the first time in years. We have closed our registration, so we may only have 1 team for an age group. There are still many kids trying out for competitive teams so that may change things.

SMHA – Rob Lomas

Will we be hosting U15C for the 26/27 Season? If not Stittsville would like to request approval to submit up to 2 teams in the Nepean U15C interlock.

Mike Taylor - Doesn't have an answer to that right now. We could discuss this at our next meeting. We need to know the final registration numbers from associations before we can make a vote.

Tiering Team Rules

RL - What does everyone want me to come back with just so I'm clear?
MT- Registration numbers for U15.

WCMHA – Chris Havey/Matt Baker

Our registration went very well. We need goal tenders in certain age groups, if any associations have extra please reach out.

MTK – Scott Dixon

Not much to report. There are a few transfers coming through. There are only U16 and U18 that we're considering.

ROMANS- Martin Bouchard

Titans – Joce Legault

Silver Seven – Tyler Nystedt
